

Information about Howard's funeral arrangements

The family has requested that details of Harold's funeral service via a webcast be made available for members if they would like to view:-

Thursday 28th May at 12:30pm.

Attendance is restricted to close family only, but there is a facility to view the funeral remotely on:

www.obitus.com

Username: hendon9983

Password: 716445

Due to the current circumstances, the family request that there are no flowers. However, donations can be made to Age UK by visiting www.austins.co.uk and clicking the "Make a donation" button. You will then be asked to enter Harold Perry's name in order to gain access to a dedicated donation page.
